You will continue to suffer if you have an emotional reaction to everything that is said to you. True power is sitting back and observing things with logic. True power is restraint. If words control you that means everyone else can control you. Breathe and allow things to pass.

Magick has never disappeared from the earth. The people of the Earth just forgot what magick is. The entire Earth holds such magick that if we really spent time relearning the ways of our ancestors we would know that we are one and the same.

I planned to workout and have a nice body for people to look at this summer, but then I remembered I like food more than I like people.

There's a difference:

Armed Forces Day (3rd Sat. of May):

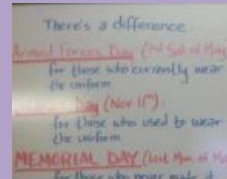

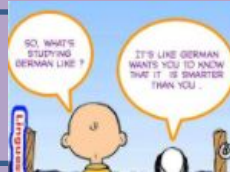

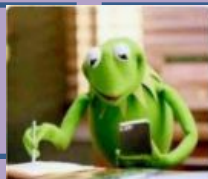

for those who currently wear the uniform.

Veterans Day (Nov 11th):

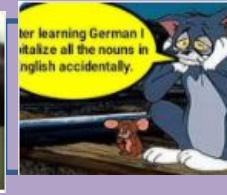

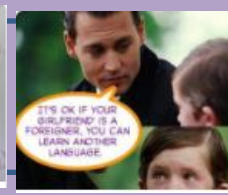

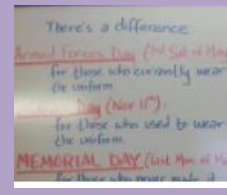

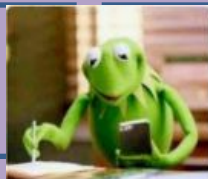

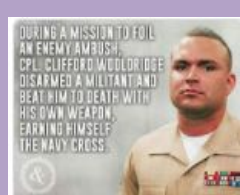

for those who used to wear the uniform.

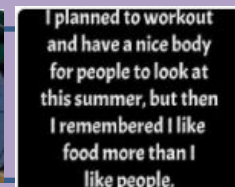

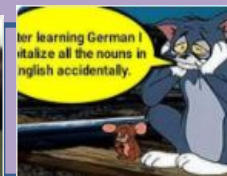

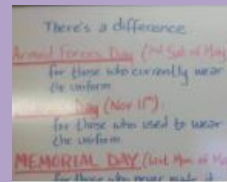

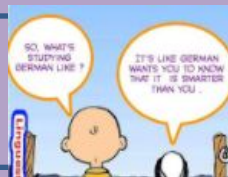

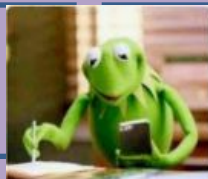

MEMORIAL DAY (last Mon. of May)

for those who never made it out of uniform.

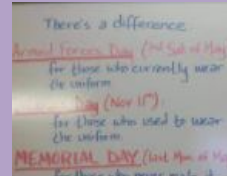

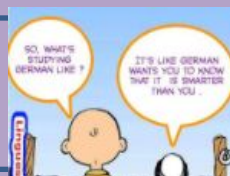

I planned to workout and have a nice body for people to look at this summer, but then I remembered I like food more than I like people.

"Have you arrested the woman?"

"Not yet. The floor's still wet."
